

Dear Hiring Manager,

I am excited to apply for the Software Engineer position at XYZ Corp. With over 5 years of experience working with web technologies, including JavaScript, React, and Node.js, I am confident that I can contribute to your team.

In my previous role at ABC Ltd., I developed several customer-facing applications, utilizing modern frameworks to deliver intuitive user experiences. I am particularly excited about XYZ Corp's focus on scalable solutions, and I believe my background in building efficient, high-performance web applications aligns perfectly with your goals.

I look forward to the opportunity to discuss how my technical expertise can benefit your team.

Sincerely,

tula
